

Programmering A

7th Weekly Note (E10, Week 41)

Last Note

This is the last weekly note. To get support for the project, please visit the last lab. Be prepared, that is, have as much as possible of the second part of the project finished. Of course, after that you are welcome to contact us at `dm502@imada.sdu.dk` or show up personally.

Lab: see schedule for time, IMADA's terminalrum

Get help with the design and the implementation of the second part of the project.
