Lecture

- Note, that in week 16 we flip switch the exercise session and the lecture: the exercises session is on Monday, and the lecture is on Wednesday.

- In the lecture on April 18th we will discuss the rest of Chapter 9 and we will start with Chapter 10 (File System Interface).

- If you did not pick up your first mandatory assignment during the lecture or the exercise session next week, you can pick them up in the secretaries office.

- The exercises to be discussed on Monday are those that have not been discussed so far from the last weekly notes. If time allows, in addition the following exercises from Chapter 8 will be discussed:
  8.1, 8.2, 8.3, 8.5, 8.6, 8.9, 8.10, 8.14, 8.16, 8.19, 8.20, 8.21, 8.22
