- In week 47 we will continue with "Dense Matrix Algorithms" and we will start with Chapter 9 of the course book "Sorting".

- Exercises for Chapter 9 from the course book that you should prepare for the tutorials: 9.5, 9.7, 9.18, 9.23. This exercises will be discussed in week 47 and 48.

- Next week we will start with Chapter 10 ("Graph Algorithms").

- Do not forget the deadline for Phase 1 of last mandatory assignment (Friday, November, 20th, 10:00am).
