

# GT2018

August 29 - September 1, 2018

Nyborg, Denmark

## THE GRAPH THEORY 2018 MEETING IN [NYBORG](#), DENMARK, AT SINATUR HOTEL STOREBÆLT

**Nyborg** is situated close to Storebælt (the great belt between Funen and Seeland), and it is accessible by train, both from the south (Hamburg) and the east (Copenhagen). If you travel by air then Copenhagen Airport (1 hour and 40 minutes by train from Nyborg) is the closest possibility. The conference site Sinatur Hotel Storebælt is situated at the coast within walking distance from the railway station in Nyborg.

Here is a map of the area: [map](#) Here is a list of participants (August 14, 2018): [participants](#) with links to abstracts of talks. The [program](#) will appear with more and more information.

**The meeting will start** in the evening of Wednesday August 29, 2018, with a problem session from around 8 PM. There is no dinner arranged for Wednesday evening, but there will be sandwiches, softdrinks and beer available from around 18:00. The meeting will **finish** with lunch (starting around 12:00) on Saturday September 1, 2018.

Information about previous meetings may be found [here](#), including pictures, solved problems, videos, etc.
